

Electrical data:

Rated Supply Voltage	24 V
Electrical type	DC
Switching output	PNP
Switching element function	NO
Supply Voltage max. (Ub)	#NV V
Supply Voltage min. (Ub)	#NV V
Connection Sensors	3-pin female M 8x1
Connection controller	Connector M12
max.Current per contact	2 A
Total current	6 A

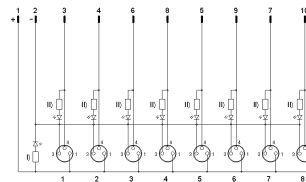

Mechanical data:

Connector	M 8x1
Ambient temperature max.	80 °C
Ambient temperature min.	-5 °C
Housing material	PBT, GF
Contact material	CuSn6
Fixing	2 x M4
Contact surface	Gold plated
Number of plug-in places	8 St
Housing style	double-row

General data:

Supply voltage indication	LED gn
Function indication	yes
Degree of protection IP	IP67 (when attached)
Scope of supply	12x indication labels
Function display	8x LED ye
not in the scope of supply	mounting screws M4

Wiring:
